TRUCKMAN

About Truckman

The UK's Vehicle Accessory Experts

Every SHARK deserves the perfect finishing touch.

As the Official BYD SHARK Accessories Partner in the UK, Truckman helps owners unlock even greater capability, practicality and style from their vehicle.

For more than 40 years, Truckman has led the market in premium hardtops and vehicle accessories, earning the trust of customers, fleets and vehicle manufacturers alike.

Our products are engineered to the highest standards and designed to integrate seamlessly with your vehicle - delivering OEM-quality fit, finish and performance.

Today, Truckman forms part of the globally renowned ARB Group, combining decades of British engineering expertise with Australia's world-leading 4x4 accessory innovation. Together, we offer one of the UK's most comprehensive ranges of premium vehicle accessories.

Every Truckman accessory is developed with durability, functionality and everyday usability in mind. Whether you're protecting valuable equipment, heading off on your next adventure or simply making your SHARK work harder, our approved accessories are designed to perform.

Truckman Electric Tonneau

Smart Control. Total Convenience.

The next generation of load-bed protection has arrived. Engineered exclusively for the BYD SHARK, the new Truckman Electric Tonneau combines sleek, low-profile styling with effortless access, enhanced security and premium functionality.

Open and close the cover using the dedicated smartphone app or supplied remote control, without leaving the cab. The app also controls the integrated interior light, illuminating the load bed at the touch of a button.

Key Features

- Open/close the tonneau and control the integrated interior light via the app/remote
- Tonneau can be locked into any position
- Secure anti-theft locking system
- Durable aluminium construction
- Weather resistant - IP56 rated
- Sleek, low-profile design
- T-slot system to fit optional cargo bars/accessories
- Fits the factory roll bar with an additional fixing kit
- 3-year warranty

Perfect for

- Trades/business users carrying versatile loads
- Families
- Lifestyle customers

3 Hours

Truckman Manual Tonneau

Secure. Stylish. Simple.

The Truckman Manual Tonneau is engineered specifically for the BYD SHARK, combining robust construction, sleek styling and simple, dependable operation.

Designed to protect your cargo from the elements and provide added security, the tonneau cover can be opened and closed quickly and easily at 3 stop points using the external handle and integrated pull strap. No complicated controls, no electrics - just straightforward, effortless operation whenever you need access to your load.

Key Features

- Easy-to-use exterior handle
- Integrated pull strap for smooth opening and closing
- Secure locking system
- Durable aluminium construction
- Built in LED light
- Weather resistant - IP56 rated
- Sleek, low-profile design
- Smooth manual operation - 3 stop points
- T-slot system to fit optional cargo bars
- Fits the factory roll bar with an additional fixing kit
- 3-year warranty

Perfect for

- Trades/business users carrying versatile loads
- Families
- Lifestyle customers
- Outdoor sports
- Everyday practicality

Heavy-Duty Black Cross Bars

Maximise Your Shark's Carrying Capacity.

Take your SHARK further with Truckman Heavy-Duty Black Cross Bars. Designed for use with Truckman Electric and Manual Tonneau Covers, they provide a strong, secure platform for ladders, roof boxes, bikes, camping gear and other bulky equipment.

With a 200kg dynamic and 360kg static load capacity, they handle demanding loads while keeping the load bed free for tools and everyday cargo.

Key Features

- 200kg dynamic load capacity
- 360kg static load capacity
- Heavy-duty aluminium construction
- Durable die-cast aluminium brackets
- Designed specifically for Truckman Electric and Manual Tonneau Covers
- Secure, integrated mounting system
- Ideal for ladders, roof boxes, bikes and camping equipment
- Professional black finish
- Practical solution for work and leisure

Perfect for

- Trades/business users
- Sporting activities
- Camping and overlanding
- Carrying bulky equipment
- Everyday practicality

Factory Rollbar & Towbar Insert

Finish the Look. Add More Possibilities.

Retain the SHARK's factory styling and add everyday practicality with Truckman tonneau compatibility and towing accessories.

Factory Rollbar

Keep the SHARK's distinctive factory rollbar and retain the vehicle's original look.

Part number: 19120566-00

Towbar Insert

Add practical towing capability with a towbar and matching insert. Whether you're moving equipment for work or taking a trailer away for the weekend, complete the setup around your towing needs.

2.5t Towbar Insert: 20176402-00

AVAILABLE THROUGH THE BYD
DEALER MANAGEMENT SYSTEM

Rollbar Adapter Kit

Keep the Factory Look. Add Covered Storage.

Keep the SHARK's distinctive factory rollbar while adding the security and convenience of a Truckman tonneau cover. Enjoy covered storage without losing the vehicle's original look.

Tonneau Compatibility

An additional fixing kit is required to retain the factory rollbar with the Truckman Manual or Electric Tonneau.

Compatible with Truckman Manual and Electric Tonneau Covers.

ARB DragMat

Protect the Bed. Access your Gear.

Whether you're hauling tools during the week or packing the essentials for a weekend trip, the Dragmat brings everything within easy reach.

Moulded from robust high-density polyethylene to provide a stable and grippy surface - an ideal solution for customers regularly loading tools, camping equipment or sports gear.

Easy to install and built to last, it's a simple upgrade that delivers long-term protection where it's needed most.

Key Features

- Engineered to handle over 100kg
- Heavy-duty UV-stabilised construction
- Easily access equipment in the truck bed
- Ergonomic handles
- Truck bed protection
- Prevents scratches and impact damage
- Quick and easy installation
- Designed specifically for BYD SHARK
- 3-year warranty

Perfect for

- Overlanding
- Trades/business users
- Families
- Lifestyle customers
- Outdoor sports
- Everyday practicality
